

Project SEARCH Toronto High School Transition to Employment Program Entrance Criteria 2019/20

Applicants must:

- be a minimum of 18 years of age, and be diagnosed with an intellectual/developmental disability (may be in addition to a physical disability or autism or other health condition).
- be enrolled in TDSB/TCDSB for the 2019/2020 school year.
- agree that this will be the last year of student services, and will not be returning to high school upon completion of Project SEARCH.
- maintain appropriate behaviour /social skills/ hygiene in the workplace.
- be able to take direction from supervisors and change behaviour.
- be able to communicate effectively (i.e. oral or communication device)
- utilize public transportation *when available*, and participate in travel training to insure success in using TTC or Wheeltrans independently.
- be able to pass a police check and be willing to complete hospital occupational Health Requirements/Forms, including but not limited to immunizations up to date, TB test, mask fit testing, etc.
- **Most importantly, have the desire to work competitively in the community at the conclusion of the Project SEARCH program.**
